FOURTH SUPPLEMENTAL INFORMATION DISCLOSURE STATEMENT
TRANSMITTAL

Commissioner for Patents:

In accordance with 37 CFR 1.56 and 1.97 through 1.98, applicants wish to make known to the U.S. Patent and Trademark Office the references set forth on the attached Fourth Supplemental Information Disclosure Statement. Copies of cited U.S. patents and published patent applications are not required and accordingly have not been provided. Copies of any other cited references are enclosed. As to any reference cited, applicants do not admit that it is "prior art" under 35 U.S.C. §§ 102 or 103, and specifically reserve the right to traverse or antedate any such reference, as by a showing under 37 CFR 1.131 or other method. Although the aforesaid references are made known to the Patent and Trademark Office in compliance with applicants' duty to disclose all information they are aware of which is believed relevant to the examination of the above-identified application, applicants believe that their invention is patentable.

The Information Disclosure Statement is provided because of the Examiner's one-way double patenting rejection, with which Applicants do not agree with and believe is improper. However, if the Examiner believes that the claims of the related cases are sufficiently similar to warrant a double patenting rejection, the art from the related co-pending applications and related

patents might be considered relevant by the Examiner of the present application. Accordingly, the art of record in the above-identified co-pending applications and pending applications, if not already disclosed, are disclosed out of an abundance of caution. This is the reason for the submission and the basis of relevance provided by Applicants' attorney.

Please acknowledge receipt of this Fourth Supplemental Information Disclosure Statement and kindly make the cited references of record in the above-identified application.

A fee of \$180 is submitted in accordance with 37 CFR 1.97(c). The Director is authorized to charge any other fees which may be required, or credit any overpayment to Deposit Account No. 19-1090.

Respectfully submitted,
